

Refurbished Used Dredger for Sale: Operational and Reliable

Used dredger for sale

Looking for a reliable and affordable dredger for your marine projects? Check out our latest offer! We have a used, second-hand, refurbished, and reconditioned dredger (overhaul in 2022) that is well-maintained and operational for sale.

This used dredger comes with 1x Mainpontoon 8.0 meter x 2,5 meter and 2x Side Pontons 11.0x1.0x1.0 mtr, with a draft of 0.90 cm. The year of manufacture is 2015, making it a reliable and modern machine.

The Warman dredge pump 10-8 F HG is capable of dredging 20% sand/gravel with a capacity of plus/minus 200-250 CBM per hour. It can dredge up to 10 meters deep at a rate of 250 CBM per hour (6,5-7 Bar) and up to 15 meters deep at a rate of 200 CBM per hour (6,5-7 Bar).

The second-hand dredger is powered by a Mercedes 420 PK Engine and comes with a Dongi transfer case and a Daf 1160 engine met Stork WaterJetpomp @ 7 Bar 400 CBM.

Don't miss this opportunity to own a high-quality dredger that will meet all your marine needs. [Contact us](#) today to arrange a viewing and see it for yourself!
